Working bee

A big thank you to everyone who came to the working bee and helped to tidy up our church. It was a great day of fellowship as we worked side by side.
 God bless you all

Our next Monthly NHCC Prayertime is on this Saturday 28th August from 9-11 am at the church. Please come for all or part of the time as we pray for our church, its people, ministries and outreach.

For all our crafty people:
 Please note that craft this Tuesday 24th August will be held at Helen Stitt's place.

Don't forget—if you have any little snippets of information for our Roving Eye please see Mike or Jean

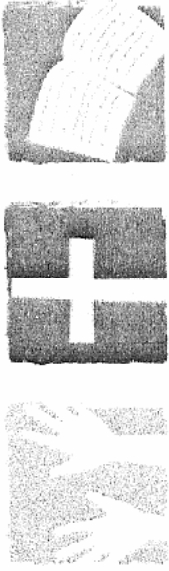

News from the frontline

Greg and Linda—They hope to have Linda's visa by the end of the month and are looking forward to being able to plan/finalise their travel arrangements—please pray that there won't be any last minute problems or delays with the visa. Continue to pray for them as they consider starting a new bible study for their friends, Wendy and Chris and others in the church—they are very conscious of the need to know God's plan for them in that area. Pray for continued good health and safety.

Dan and Candide—Continue to pray for them to keep well and safe. Pray for them as they settle into their "new" flat and make contact with their "new" neighbours. Two of the boys that Dan teaches climbing also live in the same complex—one is in the flat below theirs. They have made good contact with his mum who had offered them the use of her bathroom during the 3 week period when they were without hot water. Pray for all the Camp of Peaks staff as they follow up all the contacts made at the recent youth and family camps.

Tallman—Praise the Lord for all the students who attended Auslife seminars so far this year and continue to pray for them as they apply what they learnt to their lives. Pray for him as he seeks to finalise bookings for seminars during the rest of the term. Please keep praying for the staff and volunteers as they serve the Lord in/through YFC. Continue to pray for the filling of the ED position and the additional staff needed.

Paul—Continue to praise the Lord for the ministry of student life at our university and pray that the students who have been challenged with the gospel in recent weeks will respond in faith. Pray for the team as they nurture new believers—especially pray for their weekly meetings (currently they are doing a series on "Why I don't believe"). They are conscious of the need for wisdom in this area. Continue to pray for his and Liz's wedding preparations and for his visa.

NEW HEIGHTS CHRISTIAN CHURCH

IMPACTING LIVES WITH THE LOVE OF JESUS

Welcome to church

Our series of the Book of Hebrews will continue today with Dave May.

This series will run for the next two weeks. It is suggested that everyone read Hebrews to be informed on the topic.

We praise You, God, for being our Father and for the blessings of being in Your family. Help us to live together in families of both biological and spiritual kinship in ways that glorify You. Help our private walk to indicate to those closest to us that You are our Father. Through Christ we pray, Amen.

PRAYER & PRAISE

Pray for All that God will keep her and baby strong and healthy.

Pray for Jean Snellgrove who had more surgery, this time on her lower arm to try and get some rotation in it. Jean would very much value your prayers. That the operation will be a success.

Pray for Koen (Ella Penfold's brother) who is due to see a specialist in Sydney on Tues 24th Aug. Koen has completed all treatments available to him in Newcastle. The family is clinging to the hope that there is still treatment that can be given. Pray they might turn to God for their hope at this time of medical hopelessness.

Praise God for an improvement in Ainhoa's health. Pray God's healing hand will continue to be upon her and that she will grow stronger each day.

Pray for Helen Judd who had a fall this week and has hurt her back again and is in quite a bit of pain. Please pray that she will get the best treatment and that she will make a miraculous recovery.

Pray for Norma as she continues to have pain in her hand and is still troubled by the stomach problem.

Please keep praying for Kerry that her back will respond to the treatment, she will do her job well and it will continue indefinitely and that she will make the best decision re her course of study and have the \$9000 tuition fees available by the end of October.

Praise God for safety of all those from NHCC who went in the city2surf last week. Apart from a couple of minor injuries all made in back safe and sound.

Pray for Koen Harman and the fund raiser that is being held to help with his medical expenses in his fight against cancer.
